

# CREATIVITY

**Creativity is the theme of this day...**

**what others have done and what you will do!**

**Tour to run approx. 8 hours**

- **Big Mac Museum** in Irwin for a rest stop and tour of this McDonalds Restaurant that is also a museum dedicated to the inventor of the Big Mac sandwich. See the World's largest Big Mac (good photo op) and lots of McDonald's memorabilia. 
- **Latrobe Art Center** each tour member makes an art project. This is always a fun activity, easy for all and you will take home attractive, useful items. A scavenger hunt, time to view the artwork displayed and browse throughout the center.
- **Lunch** is served in the beautiful setting of DiSalvo's Station, the restored Amtrak Station located just around the corner from the art center. You may offer guests **two** of the following entrees with counts per entrée one week prior OR choose one entrée for all: Chicken Romano / Chicken Marsala / Beef Tips over rice / Scrod English Style. Meals come with tossed salad / Chef's vegetable / Rolls & butter/Chef's dessert/ soda, cold and hot teas, coffee. Following lunch a brief tour of the station is given.
- **Fred Rogers Exhibit** at St. Vincent College campus where you explore the exhibit located in the Rogers Center. This icon of children's TV was born and raised in Latrobe and by visiting this exhibit you will be inspired as you realize the love Mr. Rogers had for children. Another stop on campus is the historic St. Vincent gristmill where, since 1854 locally grown grains have been ground into flours. Learn about the history and operation of the mill and purchase flours ground here and breads made from the flours. The gift shop offers many other items. 
- **WOW Outlets** a large indoor shopping area featuring a wide variety of goods from 100's of suppliers. Departments include: party supplies, giftware, Pittsburgh Sports, florals, wicker, pet supplies, Holiday décor and more.

**PRICE INCLUDES:** admissions, art project, lunch, step on guide.
