December 2024

Dear Travel Partner,

I am excited to share some great news with you. First, as of December 31, 2024 I will officially be retired after 44 years in the travel industry. I appreciate the many friends and memories I've made on this journey.

And now I am pleased to announce that Love Receptive Services will continue to care for your tour planning needs as the new owner, Denise Stepanik, will be taking over as of January 1, 2025. Denise and I have been working together, training, meeting clients and suppliers and doing site inspections for the past several months. She has over 35 years' experience planning events and business processes for her husband's photography business and planning in the human resources and talent management fields with various government entities. I am confident that you will appreciate her knowledge and planning skills as she provides you with excellent service.

Denise has confirmed that the tour guides who have been traveling with your tour guests throughout the years will remain and she expects to add more as the company is expanding the area of service to the northern part of West Virginia and the Maryland panhandle, adding some exciting new tours to the offering mix.

Enclosed please find a number of tour packages for the 2025-2026 tour seasons and a separate sheet with pricing. Keep in mind that we will customize any package to fit yours and your customers' needs. Email Denise for a link to our Dropbox for editable versions of tours that interest you.

**The name Love Receptive Services will remain as a company of Adventure Connections, LLC.**
